

Butt Welding Kit

Suitable for all non-reinforced and some reinforced Eagle® belting, including Eagle Orange 85, Eagle Green 89, Eagle Clear 85, Eagle Clear 95 and even hollow Quick-Connect. A proper butt weld will yield 100% of this belting's ultimate tensile strength. For instructions on installation and tensioning, refer to Fenner Drives' Eagle Polyurethane Belting catalog or visit www.fennerdrives.com.

- Kit Includes:
 Large Clamp OR Mini Clamp*
 Hot Knife
 Hot Knife Holder
 Flash Cutter
 Cutting Shears
 Carrying Case

* Mini Clamp suitable for use with Eagle belting up to 8mm round and A section Vee.
